

Remarks

Applicants have amended the specification to include the continuing data references. Applicants have cancelled claims 1-64, 70-79 and 81-88. None of the amendments constitute new matter in contravention of 35 U.S.C. §132.

The present application is a division application, and the prior art cited in the parent applications should be taken into consideration in the present application. In accordance with MPEP §2001.06(b), no copies of the prior art in the parent applications are submitted herewith. The Form-1449 filed with the parent application is submitted herewith for the convenience of the Examiner. Confirmation that the prior art cited in the parent application has been considered in the next Official Action is most respectfully requested.

Applicants respectfully assert that all amendments are fairly based on the specification, and respectfully request their entry.

Respectfully submitted,
